

## WATERPROOF GREASE

### >>Description

Waterproof Grease is a lithium complex grease formulated to offer superior lubricating qualities in a wide range of powersport applications. Excellent waterproofing, shock load protection, extreme temperature stability and anti-rust protection. Waterproof Grease is buttery smooth and easy to apply.

### >>Features

- >Lithium complex technology
- >For bearings, linkages and seals
- >Protects against rust and oxidation
- >Resists high shock loads and heat
- >Buttery smooth and easy to apply

### >>Application

Recommend for all bearing, linkage, pivot and chassis lubrication found on motorcycle, ATV, snowmobile, marine and personal watercraft applications. Compatible with all seal materials.

### >>Typical/Test Data

**Description:** Waterproof Grease  
**Appearance:** Purple

### >>Package Sizes / P/N

**Description:** Waterproof Grease  
**16oz Jar** T300160UE  
**Case 12/1 16oz** T300160U
